### How our classes work:

To register for any class, simply prepay at least 48 hours prior to the scheduled date of the class. No refunds, cancellations or changes of date will be accepted unless approved by the instructor. Class samples may be seen in the store. **Materials must be purchased prior to the beginning of class.**

All basic classes cost \$45. Form a group of 4 or more and the cost is only \$38 per person.

We offer small class sizes with a maximum of 5 students. Unless otherwise noted, classes are offered privately or may be scheduled with a friend for maximum learning. Call (847) 328-4040 to schedule your class. Many classes are held on the lower level of our store. Please let us know if you need accommodations.

We can offer some of our classes via Skype. Arrangements must be made and materials ordered and paid for at least 2 weeks in advance of Skype class appointment.

The team at Ayla's can also host a beading party for you and your friends. You can hold the party at your place or you can bring the party to our store. Whether it's a birthday celebration or a girl's night out, come and celebrate with us, walk away with your very own gorgeous jewelry! Call (847) 328-4040 for more information.

## Beading Basics

All classes can be scheduled privately or with a group of your friends. Call (847) 328-4040 to schedule your class. The cost for any of these Beading Basics classes is \$45 per person.

### Basic Stringing

Create your very own unique and beautiful beaded jewelry. Students will learn to use one of the most simple and straight forward techniques to create individual works of art.

**Materials:** enough beads to make a 16" necklace, 1 clasp, 2 crimp tubes, 2 feet of Softflex, 2 crimp covers, 2 wire guards  
**Instructors:** Colette Quackenbush, Cordelia Herman or Joe Pizzo

### Knotting

Learn the knotting technique used by professionals. Skills learned in this class can be easily adapted to create illusion-style necklaces. In this class, the design should be kept simple to facilitate learning the technique. Each student will finish a knotted bracelet.

**Materials:** 1 strand 8mm freshwater pearls, 1 clasp, French coil, #2 Silk beading thread on card  
**Instructors:** Colette Quackenbush or Cordelia Herman

### Wire Wrapping

Learn the basic loop-and-wrap technique used to create wire masterpieces. Students will leave with a pair of earrings.

**Materials:** 1 spool of 22g craft wire, beads for earrings, 2 headpins, 1 pair earring wires or posts  
**Instructors:** Colette Quackenbush or Cordelia Herman

### Chan Luu Bracelet

You've seen this woven leather wrap bracelet everywhere. Don't pay hundreds of dollars; make your own. This stylish bracelet uses a combination of a cross-weaving bead work technique and soft supple leather cording. Your single wrap bracelet can be casual or elegant and dramatic.

**Materials:** 1 strand 6mm Czech glass beads, 1 button, 2 ft of leather cord, 2 Nylon thread cards  
**Instructor:** Cordelia Herman

### New Flat Kumihimo Wrap

This beautiful necklace is a step above the ordinary. Watch as the crystals appear to emerge from the weave. It's perfect dressed up for a night on the town or down for a day at the beach.

**Materials:** Round foam loom, S-Lon, super new glue, 2 end caps, 6mm rondelle Chinese crystals, clasp  
**Instructor:** Silvana Tandeter  
**Offered:** Call (847) 328-4040 to schedule  
**Cost:** \$65

### Woven Beaded Cuff

Flash an accented wrist with smooth or faceted, subtle or bold, worn alone or mixed with other bracelets. Compliment the adorned wrist you've loved on many style pages! This will be your delight as you complete a woven bracelet cuff (3 strand look) using only 1 strand of beads.

**Materials:** 1 16 inch strand of 8-10mm round beads (hole large enough for 2 strands of S-Lon), 1 large hole bead able to accommodate 6 strands of S-Lon; 1 tube GS Hypo cement, clipboard, S-Lon  
**Instructor:** Colette Quackenbush  
**Offered:** by appointment; please call 847-328-4040  
**Cost:** \$65

### Photographing Your Jewelry 101

Interested in photographing your own jewelry? Frustrated when it doesn't look the way you think it should? Are your colors off? Is your shot out of focus? Then this class, taught by an award-winning photographer, is for you. Learn multiple lighting techniques, camera settings and different software programs to enhance the photography of your jewelry for print or web use.
