Basic Stringing

Create your very own unique and beautiful beaded jewelry. Students will learn to use one of the most simple and straight forward techniques to create individual works of art.

Materials: enough beads to make a 16" necklace, 1 clasp, 2 crimp tubes, 2 feet of Softflex, 2 crimp covers, 2 wire guards

Knotting

Learn the knotting technique used by professionals. Skills learned in this class can be easily adapted to create illusion-style necklaces. In this class, the design should be kept simple to facilitate learning the technique. Each student will finish a knotted bracelet.

Materials: 1 strand 8mm freshwater pearls, 1 clasp, French coil, #2 Silk beading thread on card

Dancing Pearls Necklace

Classy meets organic in this beautiful original design of Freshwater Big Hole pearls, chain, and suede. This design combines the leather coil knotting technique, and wire wrapping pearls into chain to create a wonderful flow that allows your pearls to truly dance. This simple yet gorgeous necklace will be the perfect piece sure to dress up any ensemble on-the-go. Basic knowledge of wire-wrapping helpful.

Materials: 5 Big-Hole freshwater pearls, 2 yards suede, 20 links of medium to large chain, 1 spool of 20g craft wire, medium to large hook or toggle clasp (must be able to feed 2 strands of suede through the shank), and Super New Glue

Orbiting Pearls

Learn to create a 3 strand floating pearl bracelet, leather wrap closure and knotted earrings.

Materials: 1 strand 1.7mm hole big hole pearls, 2 yards 1.5mm leather, Super new glue, 1 pair ear wires

Wire Wrapping

Learn the basic loop-and-wrap technique used to create wire masterpieces. Students will leave with a pair of earrings.

Materials: 1 spool of 22g craft wire, beads for earrings, 2 headpins, 1 pair earring wires or posts

Chan Luu Bracelet

You've seen this woven leather wrap bracelet everywhere. Don't pay hundreds of dollars; make your own. This stylish bracelet uses a combination of a cross-weaving bead work technique and soft supple leather cording. Your single wrap bracelet can be casual or elegant and dramatic.

Materials: 1 strand 6mm Czech glass beads, 1 button, 2 ft of leather cord, 2 Nylon thread cards

Leather Elegance

Create your own leather and pearl necklace using a leather wrap knotting technique. You've seen the designs in our store, now learn how to make them.

Materials: 2 yds 1.5mm leather (no metallics), 5 big hole pearls, Super new glue

Herringbone Bracelet (Intermediate)

Bead-weave this simplistic tubular bracelet design that can be worn alone or with your other bracelets! Basic bead weaving knowledge helpful, but not required.

Materials: size 13 needle, size D Nymo thread, 1 tube size 8 seed beads, 1 closed jump ring, 1 open jump ring, clasp

Kumihimo

All classes can be scheduled privately or as a group. Call (847) 328-4040 to schedule your class. The cost for any of these classes is \$65 per person.

Basic Kumihimo

Kumihimo (ku-me-he-mo) is a Japanese form of braid-making. Traditionally done with thread, Kumihimo can take on many forms and is a fun technique to learn. In some cases, it looks a lot like bead crochet. In this class, we will use a braiding disk to make a single color bracelet.

Materials: Round foam loom, 8 E-Z bobbins, S-Lon, super new glue, 2 end caps, 3 tubes size 6seed beads, 1 strand drop beads, clasp

Round Kumihimo with a Twist

Combine the braided look of Kumihimo with the very popular big hole beads.

Materials: Round foam loom, Chinese knotting cord or S-Lon, super new glue, 2 end caps, 1 strand 4mm big hole beads, 1 strand 6mm big hole beads, clasp

Flat Kumihimo Wrap

This beautiful necklace is a step above the ordinary. Watch as the crystals appear to emerge from the weave. It's perfect dressed up for a night on the town or down for a day at the beach.

Materials: Round foam loom, S-Lon, super new glue, 2 end caps, 6mm rondelle Chinese crystals, clasp

Woven Beaded Cuff

Flash an accented wrist with smooth or faceted, subtle or bold, worn alone or mixed with other bracelets. Compliment the adorned wrist you've loved on many style pages! This will be your delight as you complete a woven bracelet cuff (3 strand look) using only 1 strand of beads.

Materials: 1 16 inch strand of 8-10mm round beads (hole large enough for 2 strands of S-Lon), 1 large hole bead able to accommodate 6 strands of S-Lon; 1 tube GS Hypo cement, clipboard, S-Lon
